Abstract, *Marriage is a bond that bore the family as one element in the life of society and state, which is governed by the rule of law, both Islamic law and positive law (state). In the law of marriage has been set about the age limit to be able to do marriage (material terms) one of them The provisions regarding the minimum age limit is contained in Article 7 paragraph (1) of Law Number 1 Year 1974 on Marriage. In fact many marriages are taking place under the decree of marriage laws, this has long been happening with so many perpetrators, not only in big cities but not in remote areas. The reasons are varied, because of economic problems, low education, cultural understanding and certain religious values, and others.*
