

FOREWORD

This internship report entitled “Ayo Vote: Alleviating Young Voters’ Apathy” is written as partial fulfillment to obtain the Sarjana Ilmu Komunikasi Degree and describes the experience that I had gathered in the five month internship period with Ayo Vote, the youth movement that's supported by Berita Satu Media Holdings.

This report is made available through the countless support, prayers, and attention that I received from my family, friends, and lecturers. I realize that without them, I wouldn't have finished this report on time. Therefore, I would like to take the time to express my sincere gratitude these following persons for giving me countless support throughout the process:

- 1) Lord Jesus Christ, my personal savior, for always standing by my side and helping me through thick and thin
- 2) Drs. A. Setiawan Abadi M.A., as my advisor for this internship report. Thank you for the support and guidance throughout the making of this final project.
- 3) Dr. phil. Deborah Simorangkir, B.A, M.S. as my academic counselor. Thank you for your continuous support throughout the academic years.
