

PREFACE

This thesis is written to fulfill the academic requirement to achieve a Bachelor Degree in Social Science in the field of International Relations at University of Pelita Harapan. This thesis would not be possible to complete without the help and support from God and several people. Thus, I would like to extend my sincerest gratitude to the followings.

1. Praise to God for the continuous strength, knowledge, opportunity, and encouragement during the completion of this research so that it can be completed with the upmost satisfaction.
2. Parents and family whom without the constant support and encouragement, I would not be able to finish this thesis in such a timely manner.
3. Dr. Naniek Novijanti Setijadi, S.Pd, M.SI., as the Dean of Faculty of Social and Political Science for the opportunity given to finish this thesis.
4. Mrs. Florensia Lantang, M.I.P, as the Head of International Relations Study Program also for the opportunity given to finish this thesis.
5. Special thanks to Prof. Aleksius Jemadu, Ph.D., for the guidance as my thesis advisor. He has given me significant feedbacks on how to further improve my thesis while ensuring details and all elements are incorporated within the thesis.
6. I like to extend my gratitude for all the lectures and staff of the International Relations Study Program. Special acknowledgment to Ms. Amelia Joan Ribke Liwe, Ph.D., who has taught me many relevant topics,

gave bountiful insights, reading materials and knowledge that helped me in preparing myself in writing this thesis.

7. Huge love to my thesis squad: Alfi, Dita, Enrico, Jacqueline, Joanna, John, Jovan, William, Cella, Serina, Naila, and Kareen for their support before, during, and after the completion of the thesis.
8. The family of *Himpunan Mahasiswa Program Studi Hubungan Internasional* (HMPS HI) UPH 2018/2019 that has given me so much input and guidance throughout the years especially members of the Academic Division HMPS HI 2017/2018, Alif, Agnes, Christ Daniel, and Dita whom I have shared a year of working together tirelessly, supporting each other on each program.
9. Friends in the international class, who has gone on this journey together.
10. Friends and colleagues who are under the same tutelage of Prof. Aleksius' thesis advisor group that has been supporting each other during the advisory meetings.
11. Last but not least, to all parties who has directly or indirectly helped in creating and compiling this thesis.
