

PREFACE

First and foremost, all praise and gratitude towards God for his mercy and grace given towards the writer throughout the process of writing this theses as well as this magnificent opportunity given to be one step closer towards finishing my journey as an undergraduate student. This thesis titled **Reinventing International Conflict Prevention Mechanism: A Case Study of the Somalian Civil War** is written and constructed as one of the academic requirements to achieve the Bachelor Degree (S1) in Social and Political Sciences, in the study of International Relations at Universitas Pelita Harapan.

Throughout the writing process of this thesis, the writer would not be able to successfully complete the writing of this thesis without the presence of several significant figures in my life that has endlessly provided academic, spiritual, and mental support throughout my journey of completing this thesis. Therefore, the following are the ones who has been placed at a special place in my heart and would like to extend my gratitude towards.

1. Boundless thanks to my loving and caring family, especially my parents and my sister for always supporting me and encouraging me to always finish what I have started and reminding me to always focus towards my goals. Their presence had helped me gone through several rough times throughout my undergraduate studies. Their words of encouragement have inflamed a raging fire within me to finish strong in writing this thesis. With their countless kindness and support, I was able to overcome challenges which have helped me become a better person.

2. Dr. Naniek N. Setijadi, S.Pd., M.Si., whom as the Dean of Faculty of Social Science and Political Sciences for the opportunity given to conduct and finish this thesis.
3. Ms. Floranesia Lantang, S.H.Int., M.NatSecPol., whom as the Head of Department Chair of International Relations for the dedication towards serving the position and to maintain a high academic standards.
4. Dr. Edwin M. B. Tambunan, S. I.P., M.Si., whom as one of the most kind-hearted lecturer I know and as my thesis advisor who has helped me countless of times throughout the writing process of this thesis and has shown the outmost care when it comes to helping his students. From the first meeting, he has always provided me with numerous insights and helpful suggestions for a better writing arrangement whenever I need his assistance.
5. Mr. Adri Arlan Sinaga., S.IP., M.IR., whom as my academic advisor and one of the lecturers that I highly look up to as he has given me so many advices throughout his lectures regarding academic and non-academic substances. Through his knowledgeable teachings, I have gained plentiful of wisdoms, life advices, and how being a critical analyzer would be very beneficial for my life and future career.
6. Ms. Karina Putri Indrasari., B.A., M.A., whom as my former academic advisor and a former lecturer that I also admire and I look up to as a role model as she has shown the outmost love through her disciplinary teachings and advices. From the advices that I took from her, I was able to redeem myself academically and non-academically as I have improved my grades

and being able to get out of my comfort zone as I was able to participate in numerous of organizations that have impressively improved my social skills.

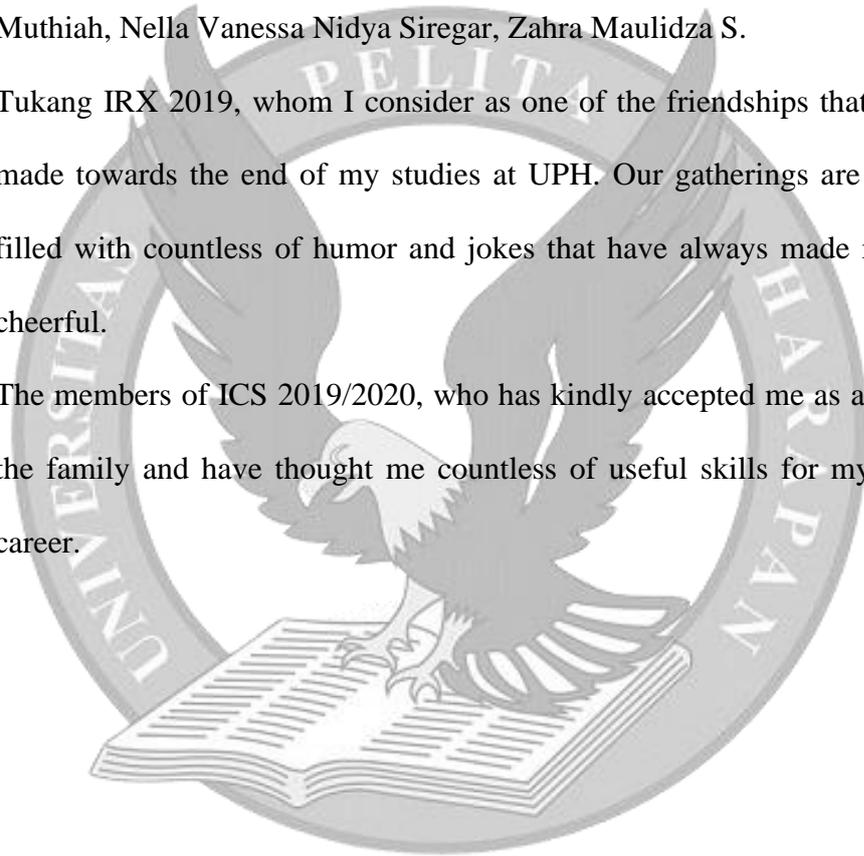

7. Mr. Matthew R. Malcolm., Ph.D., whom as one of my lecturer from the Faculty of Liberal Arts, has thought me tremendous knowledge through his teachings. His sympathetic, fun, humorous, and caring character has made my learning experience more enjoyable and memorable. His countless of wisdoms and stories have also broadened my academic understanding and my realization regarding life experiences.
8. All of the lecturers in Universitas Pelita Harapan whom I had as a lecturer and whom I could not mention one by one, has thought me valuable lectures and helpful knowledge that has helped me throughout my undergraduate studies and the writing process of this thesis. The knowledge from the countless hours of lectures will help my career and life journey in the future.
9. A special individual who has always been there for me through thick and thin, someone whom I consider as a companion throughout my journey since UPH fest until the writing process of this thesis, someone who I can trust where I am able to pour all my thoughts and feelings towards, an individual with a beautiful personality, someone whom has helped me countless of times during the writing process of this theses, someone whom I considered as my best friend, and someone that always makes my day brighter and cheerful: Jenny Sukhwita.

10. One of the seniors that have tremendously contributed towards my journey in the writing process of this thesis, someone whom had spent countless of hours giving suggestions and ideas regarding my research topic and any mistakes within the substance materials, someone whom I have never thought from our encounter in the committee of *International Relations Exhibition* would eventually turn out into a brotherhood, someone who have shared countless of relatable invaluable stories and experiences, and someone whom have thought me priceless knowledge, skills, and life lessons that will prepare me to become a better person in the future: Cyto Putra Hastoro., S.Sos.
11. M. Abimanyu Sidiramadhan Priatna, whom I consider as a brother that have gone through countless of experiences with me since high school until my final years in university. Countless of good and bad memories has been made through our brotherhood which has strengthen our bond. Throughout my writing process of this thesis, he has continuously encouraged me from the start to finish and always reminding me to keep my head up no matter what situation lies ahead.
12. Rio Alesandro Juno, as one of my classmate throughout the semesters, who have hugely helped me throughout my academic journey and throughout my journey in writing this thesis. I greatly thank his contribution in the countless of times he had helped me with providing suggestions and ideas during the process of writing this thesis.

13. A group of people called Lambek Konyuk whom has helped me mentally and emotionally throughout the process of writing this thesis. A group of people whom I consider our friendship has started from middle school and will stay intact for more years to come. A group of people who has endlessly cared for one another and has been supportive through each of our journeys in life: Amira Yuandini Putri Rasahan, Irfan Bayuaji, Leon Abetto, Muthiah, Nella Vanessa Nidya Siregar, Zahra Maulidza S.

14. Tukang IRX 2019, whom I consider as one of the friendships that I have made towards the end of my studies at UPH. Our gatherings are always filled with countless of humor and jokes that have always made my day cheerful.

15. The members of ICS 2019/2020, who has kindly accepted me as a part of the family and have thought me countless of useful skills for my future career.

16. Lastly, I would like to thank me, myself, and I, for always believing in myself to continue and forcing myself towards the finish line. With every minute and hour sacrificed for completing this thesis, for all the countless of tears and pain that I have gone through, for all the wins and losses, I would have not been able to finish this thesis if it were not for myself. Blood, sweat, and respect. The first two you give; the last one you earn.
