

## FOREWORD

This thesis is written to fulfil the academic requirement to obtain a Bachelor Degree in Social Sciences in the field of International Relations at Universitas Pelita Harapan. I would like to express my gratitude towards God the Almighty and Most Merciful for giving me the opportunity to work on this research on “The International Support for the Establishment of Bangsamoro Autonomous Region to End Conflict in Mindanao.” Certainly, this research would not have been possible with the help of a number of influential people.

I would like to show my utmost gratitude to God for giving me the strength, courage, and guidance throughout my entire university journey. For also teaching me that not all paths in life are as linear as we might wish. I would like to extend my thanks to Dr. Edwin Martua Bangun Tambunan, S.IP., M.Si. as the former Dean of Faculty of Social and Political Sciences, Dr. Naniek Novijanti Setijadi, S.P.D., M.SI., as the current Dean of Faculty of Social and Political Sciences, Floranesia Lantang, S.H.INT., M.NAT.SEC.POL., as the head of International Relations Department, and Elyzabeth Bonethe Nasution, S.I.P., M.A. as the thesis coordinator and former head of International Relations Department, for the opportunity to conduct this thesis.

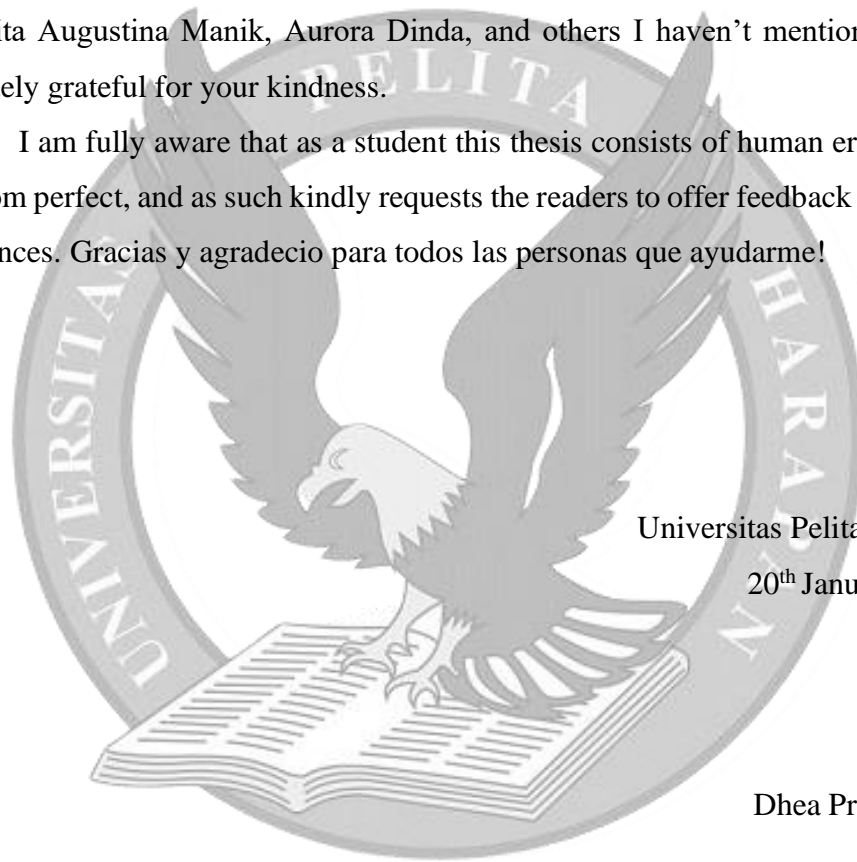

To Yosef Marcis M. D. Djakababa, Ph.D, I extend my utmost respect and sincere gratitude for not only being my thesis advisor but also for being a wonderful lecturer. Your guidance and restless weeks providing feedback, assistance and moral support is truly appreciated. For reminding your thesis students that this is a learning process and we shouldn't feel discouraged, has lifted our spirits to not flounder.

I would also like to thank the entire team of lecturers and staff of the International Relations Department for their part in helping me finish my thesis. May life bestow you the same you have guided this clueless and struggling student.

To my parents, thank you for your abundance of financial and moral support. Especially my father, Hendrar Pramudyo, who is nothing but supportive in my life decisions. For offering me with your political insights; you have aspired me to be as knowledgeable as you.

I am tremendously grateful for my two best friends, Nour Derouiche and Yann Daniel Claude Lecomte for constantly being my anchor and supporting me in spirit and in phone screens; distance truly means nothing. To my closest friends, Anggita Augustina Manik, Aurora Dinda, and others I haven't mentioned, I am infinitely grateful for your kindness.

I am fully aware that as a student this thesis consists of human error and is far from perfect, and as such kindly requests the readers to offer feedback for future references. Gracias y agradezco para todos las personas que ayudarme!
