

ACKNOWLEDGEMENT

Praise to God Almighty for all the blessings He had bestowed upon which enabled the completion of this final thesis with the title “Self-Presentation of Food Bloggers: Semiotic Analysis of “Eatandtreats” and “Wanderbites!” Blog” which is submitted to fulfill the academic requirement in order to obtain the Bachelor Degree of Communication Science, University of Pelita Harapan, Karawaci.

The author realized that without the guidance, help, and prayers from everyone, this thesis will not be completed on time. Therefore, the author would like to express her greatest gratitude to all the parties that had extended their help and support during the completion process of this thesis which are to:

- 1) Prof. Aleksius Jemadu., Ph. D., as the Dean of the Faculty of Social and Political Sciences.
- 2) Dr. Naniek Setijadi, S.Pd., M.Si, as the Associate Dean of the Department of Communication as well as the author’s thesis advisor who’ve had given many inputs, guidance and support.
- 3) All the lecturers of Department of Communication for the support, knowledge and wisdom. The author would like to specially thanks to Dr. Naniek Setijadi, S.Pd., M.Si, as the author’s academic advisor for the guidance throughout these three years in UPH and Dr. Benedictus A. Simangungsong, S. IP.,

M.Si., who had spared his time to guide and teach the author in regards of research methodology.

- 4) My father, mother and younger brother, for all the love, prayer, moral support and understanding during the period of the author's final assessment.
- 5) To my cousin Florence for the relentless cheers and understanding that the author couldn't spend much time with you due to the author's thesis.
- 6) My UPH squad, the kepoers geng, Cindyva, Johana, Olivia, Preena and Vera for cheering, supporting and listening to the author during difficult times along with by making the author's years in UPH very enjoyable.
- 7) My INTI college foundation friends, group, mejabundar, for the support and prayers.
- 8) Ellys and Cherie, my childhood best friends for supporting and who kept on asking the progress of the author's thesis.
- 9) My fellow friends Clara, Tabitha and Yemima who belonged to the same thesis advisory group for the support.
- 10) To all fellow classmates of the Department of Communication's International class Year 2013 for the friendship and also to all of the students of the Department of Communciation batch 2013.
- 11) Li Laoshi and Ms Mutia for coping up and understanding my ever-changing schedule.
- 12) The staffs of Johannes Oentoro Library for all the help during the times the author had to stay at the library for a long time.

13) To the non-teaching staffs of FISIP for all the help.

14) Other individuals that the author cannot mention one-by-one who've had indirectly help the author during the completion of the thesis.

With this, the author realized that there are still many flaws in this final assessment. Thus, critics and suggestions from the readers will be very beneficial for the author. Hopefully, this final assessment can be beneficial for all parties that read this final assessment.
