

## ACKNOWLEDGMENT

This thesis was written as one of requirements to obtain the degree in *Sarjana Strata Satu Teknologi Pangan*. The title of this thesis is “EFFECT OF DIFFERENT RICE BRAN CONCENTRATIONS AND BAKING TIME ON THE CONSUMER PREFERENCES AND PHYSICO-CHEMICAL CHARACTERISTICS OF GLUTEN FREE – RICE BRAN BROWNIES”.

The writer should express his greatest gratitude to God, because of His blessing this thesis could be finished on time. This thesis would not be completed on time without the help and support from many people. The writer wants to express his gratitude to :

- 1) Dr. Ir. Raffi Paramawati, M.Si as the thesis supervisor who gave her time, efforts and patience to guide, help, and support the writer during the completion of this thesis.
- 2) Mrs. Natania, M. Eng as the thesis co-supervisor who has given her greatest help, support, and guidance for the writer for the completion of this thesis.
- 3) Mrs. Nuri Arum Anugrahati, MP as the Head of Food Technology Department, Universitas Pelita Harapan who has given the chance for this research to be done.
- 4) Mrs. Julia Ratna Wijaya, M.AppSc., as the vice head of Food Technology Department for the support and advice for the writer for the past 4 years.

- 5) Mr. Jeremia Manuel Halim, Ms. Ratna Handayani, and Mrs. Sisi Patricia who have given the opportunity for the writer to conduct the research in the laboratories.
- 6) My father (Johnny), mother (Liliany) and sister (Merrvina) for the support and prayer during the research and during the writing of this thesis until the completion.
- 7) Mr. Rudi, Mr. Hendra and Donny who have given their best helps and supports for the writer during the work in the laboratories.
- 8) My best comrades, Ericko Sutono, Jessica Ignatia, Lauralia Bernetta, Jessica Siswadi, Felicia Lesmanadjaja, who has given their supports and accompaniments during the research and writing of this thesis.
- 9) William Kuwandy, Steven Caesario, William Suhartono, who have been great friends for the past 4 years, gave a lot of supports and motivation for the writer.
- 10) All of my friends in Food Technology Department Universitas Pelita Harapan
- 11) People who cannot be mentioned one by one.

The writer realizes that this thesis is far from perfect, so the writer welcomes to every comments and suggestions that can help the writer to improve report writing in the future. The writer hopes this paper would give useful information to the people who read it.
