FOREWORD

The experience of writing this thesis was one of both exciting and hard, mostly hard, where there were lots of highs and lows to this journey. With the guidance of Jesus Christ the researcher is able to compile this thesis entitled “THE DIFFERENCES IN EFFEMINATE ACTIONS ON THE TV PROGRAM D’ACADEMY (INDOSIAR) BEFORE AND AFTER THE BANNING OF EFFEMINACY ON TV BY KPI”

So many valuable lessons have been learned throughout the process of this thesis in which the researcher would be forever grateful for. God has given the researcher infinite blessings of support through the researcher’s family and friends. The researcher would like to sincerely express gratitude towards:

1. Prof. Aleksius Jemadu, Ph.D. as the Dean of Faculty of Social and Political Sciences.
2. Naniek Setijadi Spd., M.Si., PhD as the Head as the Head of Department.
3. Mr. Sigit Pamungkas as thesis advisor. Thank you excessively for your guidance throughout this thesis with such patience and willingness throughout the process while bestowing me with opulent knowledge.
4. Ms. Agustin Diana as thesis co-advisor. Thank you for your guidance and helping the researcher come to this topic. Your help is immensely appreciated, thank you.
5. All the lecturers that has taught the researcher for the past three years in Universitas Pelita Harapan. Your knowledge and experiences will always be remembered. It has been a pleasure to learn from all the UPH lecturers.
6. Mr. Antonius Agus Sriyono and Mrs. Astuti Retno Widiati as the researcher’s beloved parents. Thank you very much for your unconditional love and support throughout my lifetime. Thank you for your wisdom, patience and knowledge throughout.
7. My family, mas Didit, mas Dwika, mba Lydia, Naila and Carlos. Thank you for the kind and supporting gestures throughout the process. All the love that has been given will be forever appreciated and cherished.
8. My best friends: Dinda, Raeni, Christie, Hasna, Andre. Thank you for the days of laughs, love and companionship. Thank you for the prayers and support that you have given, your love will forever be in my heart.

9. My university best mates: Natasha, Puput, Fiona, Clara, Shella, Evi. Thank you for the three-year companionship in UPH and all the great love and support that you have given.

10. Anthony Felix, thank you for your abundance of support, mood-boosting skills and helping the researcher to understand some of the theories written.

11. The researcher does not love less everyone that is not mentioned above. My sincere gratitude to those that has been supporting and praying for the researcher.

Finally, the author realizes that there are many deficiencies in this thesis thus it is imperfect. Suggestions and critiques are highly appreciated. The author hopes that this final paper benefits the reader.
