ACKNOWLEDGEMENTS

My greatest gratitude is for my Lord, Jesus Christ for His faithfulness, kindness, and blessings to me so I have accomplished this thesis.

The research is entitled, “THE EFFECT OF PEER TEACHING ON THE IMPROVEMENT OF FORMAL REPORT WRITING AND THE REDUCTION OF WRITING ANXIETY IN SMP PELANGI KASIH-JAKARTA” and it was written to meet a partial academic requirement to obtain the degree of Master of Education at Universitas Pelita Harapan, Jakarta.

I would like to acknowledge that without the guidance, support, valuable input and most of all prayers many people, this thesis would have never been completed. Therefore, I would like to express my deep gratitude to these people to whom I feel indebted:

1. Connie Rasilim, S.S., B.Ed., M.Pd, Dean of the Faculty of Education.
2. Dr. Niko Sudibjo, S.Psi., M.A, Chairman of Master of Educational Technology Program.
3. Irene Rebecca Tobing, Ph.D, my thesis advisor who patiently help me with the valuable inputs to the research.
4. All lecturers who have taught me during my graduate studies at Universitas Pelita Harapan.
5. My beloved wife, Martha Debby Rosalina, who always stood by my side in all circumstances during this study and my daughter and son, Judith and Yeshua, who are always the joy of my life.
6. My colleagues, Mr. Suryanto Soenaryo, Mr. Ronny Rondonuwu, Miss Nova, Mr. Jono, and Miss Sandra who had assisted and helped me during my research at school.

7. All other parties who have contributed to this thesis.

Finally, I realize that this thesis is imperfect. As a result, I would like to extend my sincere apology for any faults or incorrect analysis found in this thesis. I do expect that this thesis will give good input to all educators to enhance the students’ writing ability and give inspiration for the next research related to the reduction writing anxiety.

**CHAPTER 1 INTRODUCTION** ....................................................... 1

1.1 Background of the Research .............................................. 1

1.2 Scope of the Research ..................................................... 5

1.3 Statement of the Problem .................................................. 5

1.4 Research Questions ........................................................ 5

1.5 Purposes of the Research .................................................. 6

1.6 Significance of the Study .................................................. 6

1.7 Organization of the Research Report ................................... 6

**CHAPTER II LITERATURE REVIEW** ............................................. 8

2.1 Definition and Aims of the Peer Teaching Method .......................... 8

2.1.1 Constructivism .................................................................... 10

2.1.2 Social Interdependence Theory ......................................... 12
2.1.3 Vygostky’ Zone of Proximal Development Theory .......... 13
2.1.4 Perspective of Other Modern Theorists ...................... 15
2.2 Strategy for Peer Teaching ........................................ 18
2.3 Writing Anxiety: Definitions, Causes, and Effects ............. 26
2.4 Report Writing .......................................................... 29
   2.4.1 Definition of Report Writing ..................................... 29
   2.4.2 Types of Report Writing .......................................... 30
2.5 Related Research ...................................................... 31
2.6 Conceptual Framework .............................................. 36

CHAPTER III RESEARCH METHOD ........................................... 38
   3.1 The Profile of Respondents ....................................... 38
   3.2 Research Design .................................................... 38
   3.3 Research Setting and Participant ................................. 39
   3.4 Data Collection Tools .............................................. 41
   3.5 Data Collection Procedure ........................................ 43
   3.6 Data Analysis .......................................................... 46

CHAPTER IV RESULTS AND DISCUSSIONS ............................... 48
   4.1 The Research Results ............................................... 48
      4.1.1 Students’ Ability in Writing Formal Report before
            Treatment ............................................................... 49
         4.1.1.1 The Result for Students’ Ability in Writing Formal
               Report before Treatment ....................................... 49
         4.1.1.2 Analysis for Students’ Ability in Writing Formal
               Report before Treatment ....................................... 52
4.1.2 Students’ Ability in Writing Formal Report after Treatment .................................................. 52

4.1.2.1 The Result for Students’ Ability in Writing Formal Report after Treatment ....................... 53

4.1.2.2 Analysis for Students’ Ability in Writing Formal Report after Treatment .......................... 58

4.1.3 Students’ Writing Anxiety before and after Treatment ......................................................... 59

4.1.3.1 The Result for Students’ Writing Anxiety before and after Treatment ............................... 59

4.1.3.2 Analysis for Peer Teaching Method and Students’ Writing Anxiety ................................. 62

CHAPTER V CONCLUSION AND SUGGESTION ................................. 64

5.1 Conclusion of the Research ................................................................. 64

5.1.1 The Students’ Ability in Formal Report Writing ......................................................... 65

5.1.2 The Students’ Writing Anxiety ............................................................. 67

5.2 Implications ......................................................................................... 69

5.3 Limitations of the Research ............................................................... 70

5.4 Suggestions ......................................................................................... 71

5.4.1 Suggestion for Management of Pelangi Kasih Secondary School .................................... 72

5.4.2 Suggestion for English Teachers ......................................................... 73

5.4.3 Suggestion for English Learners ......................................................... 77

5.4.4 Suggestion for Further Research ......................................................... 77
