

## FOREWORD

Praises and glory be unto God for only because of His guidance and blessings, the researcher could complete her undergraduate studies and finished this final project in the form of thesis in time and in accordance to the researcher's wish. The thesis entitled "Audience Reception Towards the Portrayal of Doctors in Korean Drama – Hospital Ship" was written to fulfill the academic requirements in acquiring the degree as *Sarjana Ilmu Komunikasi Strata Satu* from Communication Sciences Study Program of Universitas Pelita Harapan.

Through the writing process of this thesis, the researcher has received countless supports, guidance and prayers from a lot of people, without which the researcher may not be able to finish this thesis on time. With that being said, the researcher wants to use this opportunity to acknowledge and give her deepest gratitude towards several impactful and important figures who played a role in her academic accomplishments. For all the things that they have done, the researcher wants to thank:

1. Prof. Aleksius Jemadu, Ph.D. as the Dean of the Faculty of Social and Political Sciences Universitas Pelita Harapan.
2. Dr. Naniek N. Setijadi, S.Pd., M.Si. as the Associate Dean of Faculty of Social and Political Sciences Universitas Pelita Harapan and as well as the researcher's academic counselor.
3. Marsefio Sevyone Luhukay, S. Sos., M.Si. as the Head of Communication Sciences Study Program Universitas Pelita Harapan.

4. Kevin Christian, S.I.Kom as Lecturer Assistant who organizes the final project administration process.
5. Drs. Roy R. Rondonuwu, Diplo.- Inf, M.Lib as Chief Examiner of my thesis and public speaking lecturer in the early semester and Sigit Pamungkas, S.T., M.T. as as the Examiner of my thesis and desktop publishing and multimedia lecturer. I am beyond grateful for the lessons and inputs that had given the researcher new skills in speaking in front of people and using adobe.
6. Dr. Dra. Desideria L.D. Leksmono, M.Si., as the researcher's beloved thesis advisor, who have believed, supported and pushed the researcher since the beginning of seminar till the end of the research. The researcher very thankful for all the love, support, guidance, critics, jokes, knowledge, affirmative and wise words that have been given to the researcher. Words cannot describe how much the researcher's grateful for Ma'am Deri as thesis advisor and another mother figure for the researcher.
7. All lecturers, staffs, office boy and office girl in Universitas Pelita Harapan, who have helped the researcher throughout her study period and the process of completing this thesis.
8. To my key informants (FCU, A, YY, DP, TN, EG, LL, and GS), thank you for your kindness and help by agreeing and setting aside your precious time to become my key informants for this thesis.
9. To my PM family (Kungkung, Popo, Papa, Mama, Ko Erik and Nini) that had support me and endure my sensitive and emotional times, which is most

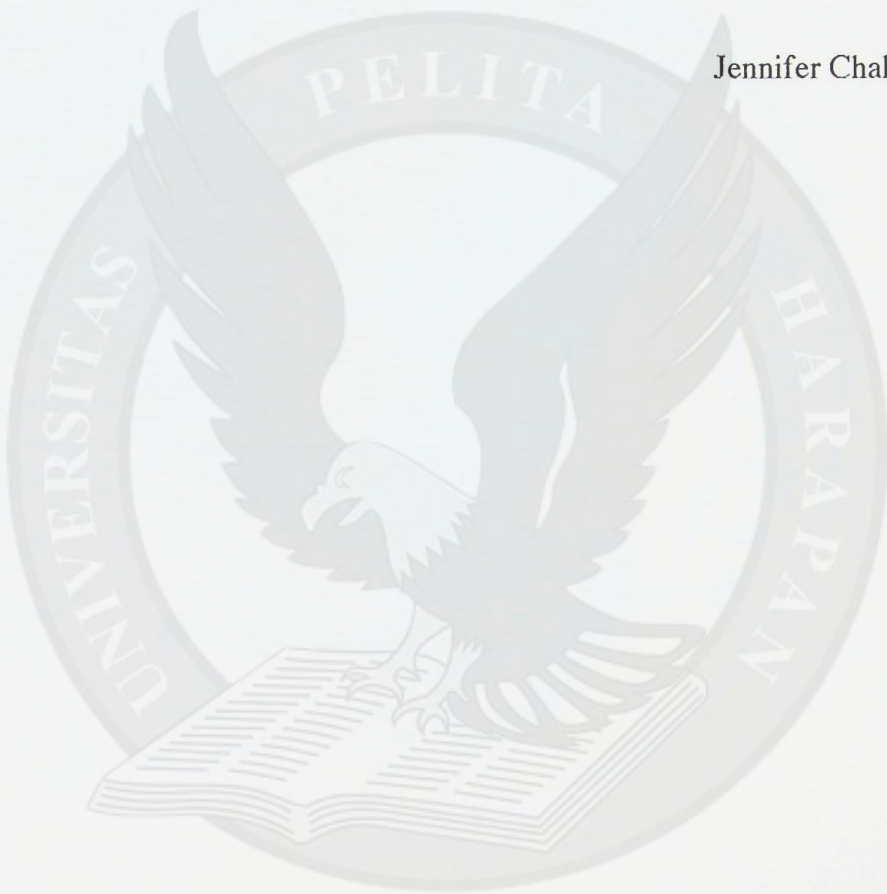

- of the time. And also thank you to Pinisi and Cendana family for the support and love.
10. Cie Meiman and Elice for giving the researcher a breath of fresh air every time the research was on the verge of breakdown and listening to the researcher whining, grumble and complaints. Thank you for the sleepovers and days out.
  11. Flo Clemency Unice for always supporting, believing and helping the researcher in every way she can.
  12. To ci Theresa Nadya Rahardja, thank you for being my mentor that help me adapt to this university life and guide the researcher throughout all these years. I can't thank you enough for all you had done for me since day one.
  13. Della Patricia Esperanza Samuel, Michelle Hutauruk, Stefanny, Margaretha Regine Anjanette, Clairice Halim, Nicole Sjafei, Juan Ferdinand, and others from Ma'am Deri's thesis advisory group whom help one another with inputs, encourage to be better, jokes around that made this journey bearable as we struggle and fight together to finish this final project together. We did it!
  14. Virli Wei Syahar, Vanny Gosal, Mary C Salim, Grace Shinta, Evita Gozza, and others for the friendship all these years. The researcher can't thank you guys enough. And to Ilmu Komunikasi batch 2015, especially to the International class.
  15. Pak Mamid for driving me anywhere since day one.
  16. All of others name that have been giving support directly or indirectly that

cannot be mentioned one by one, the researcher is utterly grateful.

In the end, the researcher acknowledge that this thesis is still far from perfect and filled with many flaws. And thus, any critics and opinions are welcomed to help the researcher become a better person both in academic and non-academic development. Last but not least, the researcher wishes for this thesis to be able bring impacts and benefits to the readers. Thank you, may God bless you all.
