

## ACKNOWLEDGEMENTS

1. Praise the Lord for only because of His blessing, this paper could be done. Only by His grace, I am able to finish the thesis on time. Only by His grace, I could pass the thesis defence. Only by His grace, I could pass the 2-year-study with satisfying scores. Also, this thesis would not have been possible without the support of many people around me.
2. Thank you for my dean and head of the examiners, Dr. Niko Sudibjo, S.Psi., M.A. who always being supportive and resourceful with all the feedbacks given.
3. Thank you for Mam M. B. Rini Wahyuningsih, Ph.D. for the guidance when I was in her class, motivation to always learn despite all the hindrances, and the constructive feedbacks during the thesis defence.
4. I am especially grateful for my thesis supervisor, Dr. Clara Citraningtyas as she has been very supportive and helpful in the making of this paper. She never failed to give me constructive and valuable feedbacks.
5. Furthermore, I would like to thank my teammates: Glenda, Seanny, Winda, Melisa, Miss Gladys, Anne, and Jesselyn in Springfield School Nursery 2 level for the endless support in times when I needed the most. Special thanks for my class partner, Adhelia Subalie who had been very understanding and supportive when I got stressed out like most of the time.
6. I would also like to extend my thanks for Nursery/Kindergarten principals: Miss Melinda King and Miss Fransiska Mende for the support and

understanding when I had to leave the school early due to the thesis counseling schedule.

7. Furthermore, I would like to thank my precious little students in N2C-Whale Class as without them this paper would not be done. Thank you for being very cooperative and understanding all the time. Thank you for growing beautifully with me.
8. I wish to thank everybody in UPH PAUD 39 who has been very supportive of each other. We shared the tears and laughter together since the third semester until the end. Thank you for being a very supportive and motivating group. I would like to extend my appreciation to my UPH batch 39A group, my first family in this master program. I made a lot of new friends who have been my supporters emotionally and mentally. Special thanks for Gadiza, Ribka, Mbak Niniek, Bu Tien, Bu Utami, Kak Clarisa, and Mbak Asti. Without you all I would not make it alive. See you all on the top!
9. Nobody has been more important to me in the pursuit of this study than the members of my family. I would like to thank my parents whose love and support are endless. Their guidance and word of affirmation are with me in whatever I pursue.
10. Finally, I wish to thank my loving and supportive future life partner, Kevin Rizky. Thank you for sticking with me through all the time, especially the bad times. Thank you for listening to my endless nagging at the end of the day. Thank you for always reminding me that everything will be worth the fight.
