

Penelitian ini menggunakan penelitian oleh I Ketut Rahyuda dan Ni Putu Cempaka Dharmadewi (2009) sebagai jurnal utama, dimana penelitian ini melakukan pengujian first order. Pada penelitian ini dimensi dan indikator diperlakukan sebagai pengujian first order. Tetapi pada tinjauan literatur, peneliti membedakan antara dimensi dan indikator, perbedaan ini memerlukan pengujian second order, sehingga menjadi keterbatasan penelitian ini. Pada penelitian selanjutnya disarankan untuk melakukan pengujian second order agar mendapatkan hasil pengujian yang lebih detail
