

ACKNOWLEDGEMENT

Throughout my doctoral journey, I praise the Lord for connecting me to people whom I should come across and opening their hearts to guide, inspire and contribute to my study. It might not be possible to acknowledge all, nevertheless, the followings are the main individuals who have been my constant support:

My first gratitude goes to my promoter Prof. Dr. Hendrawan Supratikno, MBA. Amidst his hectic schedules in the parliament and business trips to remote areas and overseas, he still made himself available by communicating and motivating me online. Prof. Hendrawan's overall guidance, immense knowledge, and constant encouragement have been a great support for me in my dissertation writings as well as defenses.

I am incredibly grateful to my co-promoters, Dr. Innocentius Bernarto, S.T, M.Si., M.M, M.Si. and Dr. Niko Sudibjo, S.Psi, M.A. Dr. Innocentius Bernarto has been counseling me rigorously and teaching me step by step how to implement and interpret quantitative research. He made himself available for reviews and discussions of my research until midnight. I am truly indebted for his continuous help, patience, and direction throughout my dissertation process. My appreciation also goes out to Dr. Niko Sudibjo for his valuable inputs and fast responses since the first day of my doctoral research.

To the external committees, Ibu Rosdiana Sijabat, S.E, MSi, PhD., Dr. Agustian Budi Prasetya, M.P.A., and Prof. Dr. F.X. Suwanto, Drs., M.S.; I thank them not only for their insightful comments, but also for the incisive questions that have stimulated me to widen my research from various perspectives.

My appreciation goes to Dra. Gracia Shinta Ugut, MBA, Ph.D. - Dean of Universitas Pelita Harapan Business School and to Dr. Pauline H. Pattyranie Tan S.E., M.Si. - Head of DRM program for their leadership to provide all the research and examination process. Both of them ensure that my dissertation process is well supported. Whenever I stumbled upon issues, they always came up with solution-oriented decisions. I also would like to acknowledge the invaluable assistance of

Angelina Marpaung S.T., and Elviliana Yoke Watopa, S.E. for coordinating all the required faculty arrangements that made me able to progress thus far.

I owe a great deal of gratitude to Assoc. Prof. Dr. Ardi, M.M., Ak. and Hermas Kornelius, S.T., MSi. who have been instrumental in guiding me whenever I came across any obstacles in my research and dissertation. I learned a lot from both of them and they inspired me with their knowledge and wisdom of learning. I also would like to thank Dr. Ir. Rudy Pramono, M.Si. for his efforts in helping me with my articles submission to international indexed journals as part of the requirements in pursuing a doctoral degree.

Special thanks to my DRM buddies, Dr. Stephanie Angelina Gunawan, S.E. M.M., dr. Marianus Ronald Soesilo, M.M., M.A.R.S., and Johny C.M. Loelan S.H., M.M. from DRM-4 UPH who have been great companions as we keep on encouraging each other to move forward until we can accomplish the target. May the journey of learning together that we have passed through will keep our learning spirit.

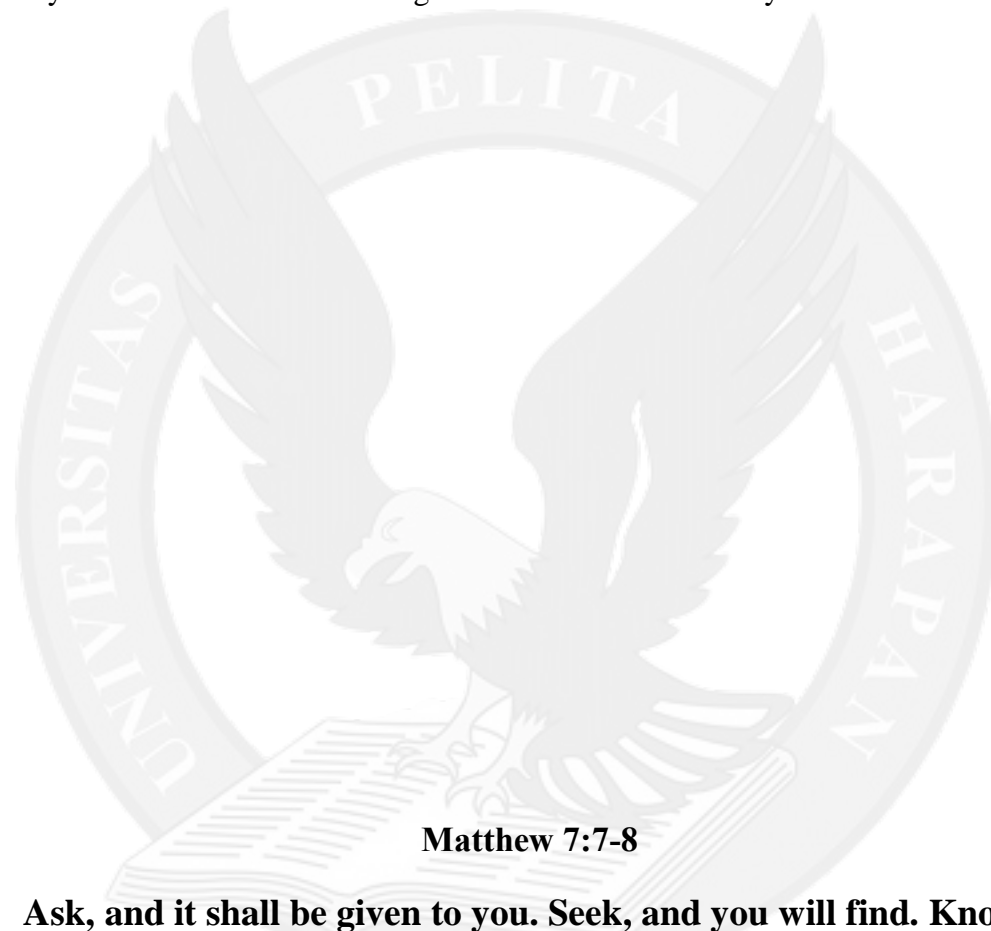

To all my colleagues at MNC Insurance, my fellow insurance leaders, and members that have participated in my questionnaires, I would like to extend my genuine appreciation. Your responses have shaped my research result and contributed to suggested managerial implications of Indonesia's general insurance industry.

Last but not least, I would like to thank my big family; my parents - Mr. Sonny Kartono and Mrs. Shienny Suryawijaya – also my brothers for supporting me spiritually throughout writing this dissertation and my life in general.

Finally, I must express my very profound gratitude to my dear husband, Drs. Eddy Gono, MBA and my beloved daughters Laurensia Charlene Gono, A.S. BSc. and Margareth Felicia Gono for providing me with unconditional love. They always believe in my pursuits and provide continuous encouragement throughout my years of study. This accomplishment would not have been possible without them.

To all my best friends; Ria Tjandra Harsaja, Benny Tambunan, Maya Indarto, Marianty Santoso, Herlina Handojo, Nilawati Sondhi, Oei Fen, Jenny Wirjadinata, Tinajanti Tjandra, Lily Montana, Harjanto Tjandra, Alvin Tjhoan, Sylvy Setiawan, and those who I may have not mentioned by name, I am deeply and forever grateful for all of your assistances and support.

May God bestow all His blessings and abundance on all of you.

Matthew 7:7-8

Ask, and it shall be given to you. Seek, and you will find. Knock, and it will be opened for you. For everyone who asks receives. He who seeks finds. To Him who knocks, it will be opened.
