

ACKNOWLEDGEMENT

Praise and gratitude to God Almighty who has bestowed His blessing so that the researcher can complete this final report well and on time. This thesis entitled “The Effect of Corporate Governance on Earnings Management” is written to fulfill one of the academic requirements to attain a Bachelor of Economics degree in Accounting at Universitas Pelita Harapan.

The researcher realizes it would not be possible to complete this thesis without the prayer, guidance, support, and encouragement from various parties. Hence, the researcher would like to express the sincerest appreciation and deepest gratitude to the following parties:

1. Niel B Nielson, MA., Ph.D., as Dean of Faculty of Economics of Universitas Pelita Harapan.
2. Dr. Antonius Herusetya, Ak., MM., CA., as the Head of the Accounting Study Program.
3. Mrs. Hanna Wijaya, SE., MM. as the main advisor who always provide support, direction and patience in guiding the writing of this final report.
4. All RMIT Accounting lecturers who have taught and shared their valuable knowledge and experiences during classes.
5. All Faculty of Economics staffs who have helped the writer in all administrative procedures.
6. The researcher’s both parents, younger sister and brother for the prayer, love, and support for the researcher.

7. The researcher's significant other, Felix Low who has supported, cared, and prayed for me, as well as standing by my side throughout all these years.
8. Dearest RMIT Accounting classmates and best friends, Felicia Fransiska, Jihye Baek, Rani Gracia, Christian Tedja, and Inez Araminta Santoso, who have stood by me for all these three years and provided support, prayer, and encouragement throughout this thesis writing process.
9. Other RMIT Accounting classmates, Angelica Cindy, Erwin, Tri Ananto Zailani, Vincent Sujanto, Josephine Gijanto, Kenneth Wijaya, Sabrina Elva Arsjad, Donna Christy, Radhika, Kunal Anand Manwani, Milka Emilia Sam Budisetya, Alvin Salim.
10. Dearest RMIT Management friend, Jessica Sumardi who have always been good and supportive friend that stood by my side and encourage me throughout this thesis writing process.
11. Other UPH friends, Jeannata Irene Susanto, Nadya Berthaliza, and Lidia for all the support, prayer, and encouragement all these three years.
12. Countless parties who have provided support and assistance but can't be mentioned one by one.

Finally, the researcher realizes that there are still many deficiencies contained in this thesis and that the result is far from perfection. Thus, criticism and suggestions would be very useful for the researcher for further improvement. Hopefully, this thesis may be beneficial to those who read it.
