Hasil dari penelitian ini menunjukkan bahwa

Kata kunci; *brand identification, self-image expression, sense of natural environment, layout, brand passion, brand love, brand pride, customer experience, brand loyalty*

ABSTRACT

**THE IMPACT OF BRAND IDENTIFICATION, SELF-IMAGE EXPRESSION,
SENSE OF NATURAL ENVIRONMENT, LAYOUT, BRAND PASSION, BRAND
LOVE AND BRAND PRIDE ON BRAND LOYALTY IN TEI SUSHI RESTAURANTS
USING CUSTOMER EXPERIENCE AS MODERATING VARIABLES**

The food industry in Indonesia is growing at a rapid pace, despite challenges, such as the COVID-19 epidemic, which has had little effect on the food industry in Indonesia. The purpose of this research was to discover positive correlations between brand identification with brand passion, brand love, and brand pride, brand identification with brand loyalty, self-image expression with brand passion, brand love, and brand pride, self-image expression with brand loyalty, sense of natural environment with brand passion, brand love, and brand pride, sense of natural environment with brand loyalty, layout with brand passion, brand love, and brand pride, and self-image expression with brand loyalty. The study takes a quantitative approach, collecting data through the distribution of electronic questionnaires in the form of Google Forms to 40 persons for preliminary studies and 350 respondents for the actual research. SmartPLS is used to process the data that has been collected. The study was conducted in Indonesia, and respondents were people who had visited the Sushi Tei restaurant.

Keywords; brand identification, self-image expression, sense of natural environment, layout, brand passion, brand love, brand pride, customer experience, brand loyalty.
