FOREWORD

Let the writer begins with firstly convey gratefulness to Lord Jesus Christ for His blessing that has tremendously helped in the process of writing this thesis called “The Escalating Perception of Islamophobia in Western Europe”.

This thesis is made to fulfill the academic prerequisite in order to obtain a Bachelor Degree of Social Science in University of Pelita Harapan. During the process of compiling and writing this undergraduate thesis, the writer got so much moral support and assistance, either as contribution or correction, that finally make the writer be able to complete this thesis within the time period given. This thesis will not be complete without the support and assistance that the writer got during the process. Therefore, the writer would like to express highest gratitude to the following:

1) Prof. Aleksius Jemadu Ph.D, as the Associate Dean of the Faculty of Social and Political Sciences of University of Pelita Harapan
2) Roy Vincentius Pratikno, B.Sc, M.M., as the Head of Department of International Relations of University of Pelita Harapan.
3) Indra Vaishakachandra Anandaputra Krishnamurti, S.Sos., M.AsiangSt., who as an advisor of the writer, has contributed his time, thought, and efforts to assist and make some correction in the process of writing this thesis.
4) Edwin M. B. Tambunan, S.I.P., M.Si., who had also assisted the writer by giving insight in writing the thesis.
5) All the lecturers of University of Pelita Harapan who have given useful information and knowledge through the lectures during eight semesters.

6) Dedicated staffs of the Faculty of Social and Political Sciences who have given good assistance regarding administrative affairs.

7) Sebastian Halim, who has been giving tremendous support and assistance in almost all aspects.

8) Dedicated Mother and family for the prayers, hope, and faith in the writer that the writer is able to complete this thesis.

9) Everyone who may support and contribute to the completion of the thesis but can not be mentioned one by one for her or his role in this thesis.

The writer believes that this thesis is not perfect and may need some corrections or improvement. Therefore, the writer is pleased to accept any comments or criticisms for the sake of the writer’s advancement. The writer also hopes that this thesis will be useful for the readers as well.
