

PREFACE

First and foremost, I am thankful to our Lord and Saviour Jesus Christ the only son of the almighty God the Father before all ages, Through Him and only Him alone we may find our Salvation, He who came down from heaven, and by the Holy Spirit was incarnate of the Virgin Mary, and became fully man and fully God, He who ascended to heaven and will come again in glory to judge on the living and the dead. I am thankful to Him that he has assisted me through the process of the research needed to complete this thesis. Only by His grace I am able to finally complete my research process and are able to face and overcome any challenge that I faced during the thesis.

Second of all, I thank my parents and sister Effendy Sugianto, Fenny Nelly and Joan Sally Limantara for putting up with me during this research process. I thank them for giving me the support both financially and emotionally to complete this thesis. I thank especially my parents that have supported my journey in my study.

Third, I thank Prof. Aleksius Jemadu Ph. D, as my thesis advisor who has guided me to complete my thesis. I would also like to thank Ms. Elyzabeth B. Nasution, S.IP., M.A., as the head of department of International Relations and my academic advisor, as well as Dr. Edwin M.B. Tambunan, as the dean of the Faculty of Social and Political science for supporting me in the completion of my thesis.

I also would like to express my gratitude to my friends and colleagues that has become my support system throughout the process to complete my thesis. I would like to specifically thank my girlfriend Priscilla Yovia for supporting me

throughout the internship process as well as giving me access to the library of University of Indonesia, Gabs Wina, Christie Santara, Yarra Zarmansyah and Indhira Purnami for being my comrade in arms in this thesis completion. I would also like to thank my comrade Giorgio Ramadhan and Ben Halim as part of the Stalker.id airsoft group that have given me advices and help me to gather relevant information and data that are relevant to the completion of my thesis. everyone else in the group chat such as “Stalker.id Airsoft Group”, “FPCI UPH” that have shared valuable times during times throughout my research process. I would also like to thank my guide in DPR Korea for giving me extra motivation to complete my thesis in a relatively short amount of time during my short one week break during the duration of the thesis and to everyone that have helped to make the trip possible.

Finally, for those who reads this thesis, firstly I would like to thank you for showing your interest in reading this thesis and therefore I wish that this thesis have lived up to your expectation and could give the readers helpful and beneficial information. I hope that the thesis could help you to conduct further studies into the topic.
