

## ACKNOWLEDGEMENT

Thank You Lord Jesus for your blessings so I can finish my thesis. The effect of reading motivation, and vocabulary size on reading comprehension achievement.

I would also like to express my deepest appreciation to all those who provided me the possibility to complete this thesis.

First, I wish to express my love and greatest gratitude to my beloved family, and support through the duration of my studies. And to my uncle whose spirit enabled me to continue this study even as its hardest.

Furthermore, I would also like to acknowledge with much appreciation the crucial role of the following people and institutions;

1. I wish to express my gratitude to Mrs. Connie Rasilim, S.S., B.Ed., MPd. As the Dean of the Faculty of Education.
2. I would like to express my gratitude to Dr. Niko Sudibjo, S.Psi., M.A. as the head of the educational Technology Graduate Program.
3. I would like to express my appreciation to Dr. Hananto, M.A. as my thesis advisor. Thank you for your encouragement and patience in guiding me grow as a research scientist.
4. I would like to express my special appreciation to Mr. Goklas Mian Tambunan, as school principal, for his kind understanding encourage during my study.
5. Many thanks go to all lecturers of Educational Technology especially in the class Learning Technology of Universitas Pelita Harapan.

Finally, I realize that this thesis is imperfect. Therefore, I would like to accept a constructive suggestion that would improve the study. My hope is that this thesis will be of some use to both myself and to my colleagues in the future.

Jakarta, Mei 2018
