

PREFACE

This thesis is written in order to fulfil the academic requirements to obtain Bachelor Degree in International Relations, Faculty of Social and Political Sciences at Universitas Pelita Harapan. God and several people have helped, supported and guided me in completing this thesis. Therefore, I would like to extend my sincerest gratitude to the followings.

First and foremost, I would like to give my utmost praise and gratitude to Jesus Christ for it was only by His grace and blessings that I could complete writing this thesis and go through every step of the writing process from the beginning until the very end. I would like to extend my gratitude to Dr. Edwin M.B. Tambunan, S.I.P., M.Si., as the Dean of Faculty of Social and Political Science and Elyzabeth Bonethe Nasution, S.I.P., M.A. as the head of International Relations Department for the opportunity given to me to finish this thesis.

I would like to express my gratitude for the opportunity that I received to be advised by Prof. Aleksius Jemadu, Ph.D. during my journey to complete this thesis. I am thankful for his valuable input, guidance, support, patience and time that are provided throughout the writing process of this thesis. I am also grateful for the freedom given to me. Without his guidance and lessons, completion of this thesis would not be possible and hence, I am sincerely grateful for this assistance.

I am also deeply grateful to have Dr. Yosef Marcis Djkababa, B.A., M.A as my academic advisor throughout my time as a student of International Relations at Universitas Pelita Harapan. His guidance and support have helped me to go through struggles I faced during my studies. I am eternally thankful for every lesson and knowledge he has taught me as I am certain that it is going to be helpful for my future. Moreover, I would like to express my gratitude to Dr. Amelia Joan Ribka Liwe, S.S., M.A. for being one of my lecturers. I am thankful for her time patience and guidance she has given me during my studies and my thesis writing process.

I know that I will never make it this far without the support and love from my family. Therefore, I would like to express my deepest and sincerest love and gratitude for my parents, Mr. Edy Santara and Mrs. Susan Kneefel. Their endless love, support, blessings and prayers have truly helped me to complete this thesis as well as everything that I have achieved.

This acknowledge without thanking my closest friends who have been my greatest and strongest support system. I will forever and always cherish our shared laughs, times shared together and unforgettable moments we have created together. In which, such appreciation is given to following listed names below:

1. Yara Zarmansyah and Gabriella Wina who have been my friends since the first year. Thank you for sticking with me through highs and lows. I will forever be glad that I have known you and I will always remember the memorable moments we have created together.
2. James Limantara, Choi Hee Chan, Daniel Anugerah, Christina Yoris and Indhira Purnami as well as all of my classmates of IR International class batch 2016. I cherish every class we have been through together.
3. Karen Caroline, Cheryl Mackie, Laurencia Marcella, Patricia Widyantara and Danira Alexandra, I am eternally grateful for our friendships, thank you for supporting me all these years.

Last but not least, I hope that this thesis could be useful for readers and future studies on the related topics. I am aware that this thesis may not be perfect, and hence, I kindly ask the readers to give me their questions, feedback and suggestions.
