

ACKNOWLEDGMENTS

The researchers would like to thank Jesus Christ for all his guidance and blessing in every step of process in finishing this Final Paper, titled “Antecedents of Online Shopping Purchase Intention”. This Final Paper is made in order to obtain bachelors' degree in the Faculty of Economic, Universitas Pelita Harapan, Karawaci. The researchers realize that this bachelor study and final paper would not be completed without the support and guidance from various parties. Thus, in this opportunity researchers would like to express the greatest gratitude to:

1. Dra. Gracia Shinta S. Ugut, M.B.A., Ph.D., as Dean of Faculty Economic and Business.
2. Isana S. C. Meranga, S.P., M.M., as Head of Management Study Program.
3. Dr. Sabrina Oktorina Sihombing, S.E., M.Bus., as the supervisor of the final paper who has kindly show her support, patience, and guidance in completing final paper.
4. All lecturers who have taught the researchers during the learning process in Universitas Pelita Harapan Karawaci.
5. All staff and employees of Faculty Economic and Business who have helped all the administrative activities.
6. All staff and employees of Johannes Oentoro Library who have helped the researchers to graduate from Universitas Pelita Harapan Karawaci.
7. NCBMA 2019 Presenters who have given advice in completing this final paper.
8. Kendy Johan, Jenny Robida, and Kayson Johan as family members of Kevin Johan.
9. Ir. Darwan Tandean, Devianty Wijaya, and Billy Antonio Tandean as family members of Maria Juliana Tandean.
10. Irwan Rudyanto, Sujia, Benny, Leonita, Scarlett, Winny, and Andy as family members of Wella Samantha.
11. Charles Gutama, Cindy Tan, Felicia, Leonardi Huang, Leonardo Huang, Roderick Louis Kusuma, Kevan Liu, Hans Wilson Wijaya, Hermawan

Lesmana, Matthew Gunawan, Richard Tjongirin, Jovina Vinaya, Joshua Aziel Rubowo, Nadhia Suwandi, Della Amalia, Monique Christie, Yuliana Ihalauw, Imelda Octavia, Sabrina Anggraini, Christabella, Jennifer, Verren, Cindy Claudia, Yuliani Sari, Sindi Ariska, Enggelyna, Lidya, Desy, Darian Liyis, Patrick Tito, Ian Audy, Sugianto, Wirianto Wibowo, Rafael Aditya, Tika, Catherine Pratama, Gloria, Jessica Suki, and Viola as friends of Kevin Johan, Maria Juliana Tandean, and Wella Samantha.

12. Every student batch 2016 who became researchers' friend during our university year.
13. Every student from batch 2016 until 2019 who became the respondents of this research.
14. Every parties that have helped the researchers whose name cannot be mentioned one by one.

Finally, the researchers realize that there are still many shortcomings in this final paper. Therefore, criticism and suggestions from readers will be very beneficial for the researchers. I hope this thesis can be useful for all parties who read it.
