

ACKNOWLEDGEMENT

Praises and glory be unto God for only because of His guidance and blessings, the researcher was able to complete her undergraduate studies and finished this final project in the form of thesis in time and in accordance to the researcher's wish. The thesis was written to fulfill the academic requirements in acquiring the degree as *Sajana Ilmu Komunikasi Strata Satu* from Communication Sciences Study Program of Universitas Pelita Harapan.

Through the writing process of this thesis, the researcher has received countless supports, guidance, and prayers from a lot of people, without which the researcher may not be able to complete this thesis on time. With that being said, the researcher wants to use this opportunity to acknowledge and give her deepest gratitude towards several impactful and important figures who played a role in her academic accomplishments. For all the things that they have done, the researcher wants to thank:

1. Dr. Edwin M. B. S.I.P., M.Si. as the Dean of the Faculty of Social and Political Sciences Universitas Pelita Harapan.
2. Marsefio Sevyone Luhukay, S. Sos., M.Si. as the Head of Communication Sciences Study Program and Final Project Coordinator.
3. Dr. Dra. Desideria L. D. Leksmono, M.Si., as the researcher's thesis advisor as well as academic counselor, who have believed in and helped the researcher since the beginning, through three and a half years of her study in Universitas Pelita Harapan. The researcher can not thank you enough for

all the love, guidance, affirmative, criics, knowledge, and wise words that have been given to the researcher.
4. Dr. Rizaldi Parani, S.Sos., M.I.R. as a chief examiner and beloved lecturer in my university journey.
5. Dr. Naniek N. Setijadi, S.Pd., M.Si. as the team examiner and beloved lecturer.

6. All the lecturers and staffs in the Department of Communication Universitas Pelita Harapan, who have helped the researcher throughout her study period and the process of finishing this thesis. A special shout out to Mrs, Marsefio Sevyone Luhukay, Dr. Dra. Desideria L.D. Leksomono, Mrs. Carly Scheffer Sumampouw, and Mrs. Magdalena Lestari Ginting for always supporting the researcher.
7. Father, Mother, Hee-Woong Chun, and all of her extended family who have prayed for and supported the researcher endlessly.
8. Valarie G. Tahar, Abbey Gautama, Tamara Gracia, and Ade Romario for being with the researcher since the beginning of her university journey, for always believing and supporting the researcher.
9. Korean UPH Student Association (KUSA) for adopting and accompanying the researcher for her university journey.
10. Yohana Margareth, Andreas Salim, Felicia Natalie, and Ade Romario from Dr. Dra Desideria's thesis advisory group whom always give inputs, encourage, and making this whole thesis journey a bearable one.
11. Friends from Ilmu Komunikasi batch 2016 who have loved and supported the researcher in her university days. Especially, Abbey Gautama, Yohana Margareth, David Julianto, Walmond S. Handoyo, and whom have not been mentioned.
12. For all impactful people that cannot be mentioned one by one. The researcher is utterly grateful to be able to know and crossed path with you. In the end, the researcher acknowledge that this thesis is still far from perfect and filled with many flaws. And thus, any critics and opinions are welcomed to help the researcher become a better person both I academic

and non-academic development. Hopefully, this thesis can be used to bring impacts and benefits to the readers. Thank you, and May God bless you all.
