

FOREWORD

All praise and glory be to the Omnipotent, Omniscient and Omnipresent Triune God who has guided me to finish this final paper entitled “COMPARISON OF KNOWLEDGE OF PAIN MANAGEMENT BETWEEN CONVERSION CLASS STUDENTS BATCH 2012 GROUP 1 AND GROUP 2 AT FACULTY OF NURSING AND ALLIED HEALTH SCIENCES UNIVERSITAS PELITA HARAPAN”. This final paper was written to meet a part of academic requirements in order to obtain the Bachelor Degree in Nursing at School of Nursing, Faculty of Nursing and allied Health Sciences Universitas Pelita Harapan.

I realized that this final paper could be completed as scheduled, because of the help, guidance, assistance, advices, support, prayers and contribution from many people and institutions. So, I want to acknowledge these people and institutions that have given wonderful and meaningful contribution in writing this final paper:

1) Christine L. Sommers, BSN, MN, RN, CNE, CCRN Emeritus, as the primary advisor and the Executive Dean of Faculty of Nursing and allied Health Sciences Universitas Pelita Harapan (FON UPH) who has given guidance, help and support, mentally and spiritually.

2) Sandra Sembel, S.E, S.Pd, M.M as the co-advisor/supervisor of this research who has given time, prayers and support during the research process.

3) Yakobus Siswadi, BSN, MSN as the Acting Dean of FON UPH who has helped me for administrative issue regarding this research.

4) Jane Freyana, S.Kp, M.App.Sc, Dr. Dra. Fransiska M. S. Sumartiningsih, S.Kp, M.Pd, and Professor Sheeba Susan Candy, B.Sc (N), M.Sc (N), RN, RM (Former Deans of FON UPH) who have inspired me about how to be a true nursing student.

5) Grace S. Houghty, S.Kp, M.Kep, MBA and Ns. Elysabeth D.T. Tarihoran, S.Kep, M.Kep, Sp.MB who have been my academic advisors and given support, help and encouragement.

6) Sedia Simbolon, B.Sc, MA-NA, Renata Komalasari, S.Kp, MANP, Roswhita Sitompul, S.Kp, M.Kep, Dalmirah Tjakrapawira, BSN, MA-NA, Ni Gusti Ayu Eka, SKM, M.Kes, Ns. Juniarta Sinaga, S.Kep, M.Sc, Ns. Siska Natalia, S.Kep, and Professor Alice Matthew, MBBS, DGO, MD who have given me support and wonderful learning experiences, and also special thanks to Janet E. Weeda, BSN, MSN, RN for enabling me to know what nursing really is. All lecturers, clinical educators, and staff at FON who have been so patient and helpful since I started studying at FON UPH.

7) Cindy Tofthagen, Ph.D, ARNP, AOCNP, FAANP and Susan McMillan, Ph.D, ARNP, FAAN who have allowed me to use the questionnaire in this study.

8) Universitas Pelita Harapan that has given me the opportunity to study in a holistic Christian education approach.

9) Siloam Hospitals Group that has provided the scholarship.

10) My beloved parents: Reimy Mamahit and Helly Kaligis, my sisters: Ketlen Mamahit, Livi Mamahit, and Tirsas Mamahit, Amd.Kep, aunt Vonny Kaligis, S.E, aunt Grace and uncle Steven who have filled my life with the grateful moments and powerful prayers.

11) All of my friends at UPH who have been so wonderful. Especially my classmates, Ivan Junio, Ns. Berlin Simamora, S.Kep who have given me the privilege to know what friendship really means. Ns. Silvia Noviyanti, S.Kep and Ns. Kinanthi Lebdawicaksaputri, S.Kep who have contributed in the research related to translation process.

12) The Students of CC Program Batch 2012 Group 1 and Group 2 who have participated in this research.

13) *Tender Loving Community (TLC Medis)* Committee of Faculty of Medicine and Faculty of Nursing UPH from 2010 to 2012, my small groups, and also fellows at TLC Medis Bible Study, especially for Junius Hardi, S.T, M.T, M.A who has given a great experience about how to dig the Word of God.

14) My fellows at *Mission Youth for Christ Residence Life (MYC-RL)* Dormitory from August 2010 – August 2013, residents under my supervision at MYC-RL Male Dormitory (2013 - 2014), fellow supervisors and dorm parents who have faithfully created a wonderful life structure in my life. Special thanks go to Kristiano, S.E who has been a life mentor for me.

15) My fellows at Enrollment Department UPH who have given me the opportunity to learn about how to be a good communicator, negotiator and also the marketing skills which have enriched my knowledge in management. Especially for Pieter Liu, S.E, M.M, Feronica Sevalis, S.Si, M.A, Elsa Gunawan and Angelina Panggabean, Amd who have enabled me to apply my knowledge and skills into the real world, and discussed many things not only about the job itself but more importantly about how to involve God in every small thing we do.

16) All people who have not been mentioned here on the list, but have wonderfully given inspiration, encouragement and prayers for me.

Lastly, I realized that this final paper is not perfect. There are parts that need improvement. I am willing to accept the suggestions and feedback from readers to enrich this final paper. Hopefully, this final paper will be useful for everyone who is reading it.

Tangerang, February 2014

Rilly Richard Mamahit
