

ACKNOWLEDGEMENTS

Praise the Almighty God for all the blessings given by Him to me so that I am able to finish this Thesis. Thesis with the title of "The Effectiveness of Anak Jajan Instagram Account Through AISAS Model in Promoting Food". Many obstacles have gone through in completing this thesis, from difficulties in finding a topic, difficulties in finding the suitable theories for this topic, difficulties in finding data, until the researcher is able to complete the thesis according to the researcher's vision. From the beginning of studying in UPH, the researcher always has an interest to conduct a research and make it into a thesis. Gratefully, the lecturers have given a chance for the researcher to construct a thesis. For the researcher, constructing a thesis is a challenge that sometimes produce stress, dilemma, anxiety, and the feeling hopelessness that sometimes influences the researcher to complete the thesis. For the researcher, constructing and completing this thesis is a blessing and gratitude to God.

In completing this thesis, the researcher has not gone alone neither being helped by others. That is why, the researcher wants to show appreciation to:

1. Prof. Aleksius Jemadu, Ph.D., as Dean of Faculty of Social and Political Sciences Universitas Pelita Harapan.
2. Marsefio Sevyone Luhukay, S. Sos., M.Si., as Head of Communication Science Department Universitas Pelita Harapan and the main advisor of this research.

3. Sigit Pamungkas, S.T., M.T., as chief examiner of this thesis examination who gave insightful inputs that helps the researcher improve the thesis content.
4. Magdalena Lestari Ginting, S.Sos., M.P.A., M.I.Kom., as examiner of this research who provide the researcher many insightful adjustments especially for the development of the concept of this research.
5. Alice Yovita who gives so much emotional support, input, and motivation to finish this thesis.
6. Anak Jajan as inspiration for the topic of the research that made this thesis possible to complete.
7. Dwipantara Oe, Kemal Santoeso, Reinhard Walton Angelo, Ezra Jemadu, Niko Juliandhono, Fahry Harjuno, Ryan Rizvianto, Eduardus Ronald, and many others who always support the researcher through the completion of the thesis.
8. Both parents of the researcher who the researcher loves and respect, Eisenzone Malik, and Nathalie Sunarto, including brother and sister, Isenky Malik and Jeanne Malik who always give emotional support for the researcher to complete the thesis.
9. The researcher's lovely pet, Coconut Onnie Allen, who gives huge emotional support for the researcher in times of desperation and frustration to complete the thesis.

Towards the end, the researcher realized that there are many drawbacks in this thesis. Therefore, critics and suggestions from the reader will be a huge benefit for the researcher. Hopefully this thesis will be a benefit for all the readers.
