ACKNOWLEDGMENT

Biggest and upmost gratitude given to Allah SWT whom helped me and guide me to create this Thesis entitled; "The use of Instagram as a marketing strategy to raise the brand awareness of Anthology Coffee and Tea." If it wasn't for His willingness, this Thesis wouldn't be here in the first place. This Thesis was written to fulfill the academic requirements in acquiring the degree as *Sarjana Ilmu Komunikasi Strata Satu* from Communication Sciences Study Program of Universitas Pelita Harapan.

During the process of creating this masterpiece, the researcher was given so much support, guidance, and prayers from close friends and family members, as well as lecturers and colleagues to carry on so that the researcher was able to finish his thesis on time. For everything that these people done, the researcher would like to thank:

1. Allah SWT who makes all of this possible for the researcher to stay calm and keep motivated to carry on and finishing this Thesis. If it wasn't for His guidance, the researcher would be lost, and emotionally unstable to finish this Thesis.
2. Prof. Aleksius Jemadu, Ph. D. as the Dean of the Faculty of Social and Political Sciences Universitas Pelita Harapan.
3. Mrs. Marsefio Sevyone Luhukay, S. Sos., M.Si as the Head of Communication Sciences Study Program.

5. Kevin Christian S.Ikom., as lecturer assistant.
