

FOREWORD

All thanks and gratitude are presented to God for all the grace that He has bestowed upon the Researcher from the start until the completion of this thesis. This thesis with the title **“GOVERNMENT’S COMMUNICATION STRATEGY TO EDUCATE INDONESIAN CITIZENS IN ORDER TO OVERCOME CERVICAL CANCER IN INDONESIA”** has been made to fulfill some of the academic requirements to obtain the degree in Sarjana Ilmu Komunikasi Strata Satu Universitas Pelita Harapan, Karawaci.

Researcher is fully aware that without the guidance, help, and prayers from various parties, this thesis won't be completed in time. And for that reason, the Researcher would like to express the highest and biggest gratitude to various parties that has supported and helped in the process of the making on this thesis, whom are:

- 1) Prof. Aleksius Jemadu, Ph.D., as the Dean of the Faculty of Social and Political Sciences.
- 2) Marsefio Sevyone Luhukay, S.Sos., M.Si., as the Head of Communication Sciences Department.
- 3) Dr. Rizaldi Parani, S.Sos., M.I.R., as the Advisor for giving the Researcher the most guidance and feedbacks that constructs the Researcher to become what he is right now.
- 4) Supardi Sulaiman and Linda Budiman, as the Researcher's parents that has been supporting the Researcher from the start.

- 5) Cindy Sulaiman, as the Researcher's sister that has been supporting the Researcher from the start.
- 6) Jesslyn Sastradinata, as the Researcher's girlfriend that has been helping and being very supportive upon the completion of this thesis.
- 7) Ervelyn Nawi, Kennedy, Bella Novia, Fanny Chai, Febby Azrani, Vandana Ram Topandasani, Alessandro Moh. Effendy, as the Researcher's friends that has been supportive and helping upon completion of this thesis.
- 8) Vincent Latif, as the Researcher's friend that provides work place and coffee for the Researcher.
- 9) Kelvin Latif, Ivan Sinugroho, Yoel Thimoty, William Stephanus, Melvin Kalinggo, Evan Sarman, Agnes Wanga, Gerald Grimaldy, Surya Yoko Saputra, for accompanying the Researcher while making this thesis.

Nevertheless, the Researcher is aware of the many flaws that this thesis has. And for that, the readers' critics and suggestions will be very helpful and greatly appreciated. Hopefully this thesis will be beneficial to anyone who reads it.

Karawaci, 26 July 2018

3.1.2 Mass Media	22
3.1.3 Cultural Context	22
3.1.4 Communication Strategy	23
3.1.4.1 Purpose of Communication Strategy	24
3.1.4.2 Communication Strategy Components	24
3.1.6 Awareness Raising	26
3.2 Theoretical Framework	27
3.2.1 Models of Communication	27
3.2.2 Management Principles (POLC)	30
3.3 Framework of Thought	33

CHAPTER IV RESEARCH METHODOLOGY	
4.1	Research Approach 34
4.2	Research Methodology 35
4.3	Data Gathering Technique 36
4.3.1	Primary Data 36
4.3.1.1	Interview 37
4.3.2	Secondary Data 39
4.3.2.1	Non-Participant Observation 39
4.3.2.2	Documentation 40
CHAPTER V RESEARCH FINDINGS AND DISCUSSION	
5.1	Research Findings 41
5.1.1	Knowledge about Cervical Cancer 41
5.1.2	Area with the High Number of Cervical Cancer Cases 44
5.1.3	Parties Involved 47
5.1.4	Medias Used for the Campaign 51
5.1.5	Activities That had Been Done 54
5.1.6	Activities Hindrance 60
5.2	Discussion 63
5.2.1	Strategies Used by the Health Department 63
5.2.2	Media Usage 70
CHAPTER VI CONCLUSION AND SUGGESTION	
6.1	Conclusion 78
6.2	Suggestion 79
BIBLIOGRAPHY 81
