

## PREFACE

This thesis is written as a requirement to obtain the degree of Sarjana Sosial. It would be impossible to finish this thesis without the guidance and blessing from God. There is nothing I could do without Him. I would also like to express my most sincere gratitude to the following people whose support have guided me throughout my life and university years:

1. The people to whom I owe everything, the people who have trusted and supported me immeasurably, my Parents. I am overflowed with the love you have given me. All of this would be impossible without your emotional and financial support. You both deserve way more than a thank you.
2. My whole family who have always got my back. You have supported and assisted me in all my decisions. Your motivation and encouragement have pushed me my whole life. Shoutout to the people who have always listened to all my rants and never once discouraged me, my dearest cousins, Avriana Handriany, Natalia Velony, and Miranda Buntaran.
3. The Dean of Faculty of Social and Political Science, Dr. Naniek N. Setijadi, S.Pd., M.Si.
4. The Head of International Relations Study Program, Mrs. Floranesia Lantang, S. H. Int., M.Nat.Sec.Pol.
5. Prof. Aleksius Jemadu, Ph.D., my thesis advisor. Prof. Aleks is the vital person in the making of this thesis. His guidance, exquisite insights, and countless motivation have motivated me throughout the making of this

thesis. It was also his classes, Introduction to Politics and IR Theory that have provided me with the knowledge needed to write this thesis. I will never be able to thank you enough.

6. Ms. Elyzabeth Bonethe Nasution, S.I.P., M.A., who has guided me throughout my university years. The knowledge that she has given me in her lectures as well as her supervision in Conflict Resolution and IR Seminar have equipped me to write this thesis. Her patience and understanding for me and all her students have not only made this thesis possible but have also made my university life more bearable and meaningful.
7. To all the lecturers and staff of the International Relations Study Program who have done nothing but help me throughout these three and half years. My special thanks would be extended to Mr. Roy Pratikno, my academic advisor who has helped me a lot from the beginning. Equally, I would like to thank Ms. Karina Indrasari whose remarkable intelligence has inspired me to read and learn more. You both have made me a better student.
8. My best friends who I cherish the most, Natasha Tamarani, Clara Monica, Juwita Chai, Cindy Clarissa, and Tobias Moza. You all have become a wonderful blessing in my life. I am beyond grateful to find a mentor and confidant in all of you.
9. My university friends who have made my journey in university more colourful, Agnes Monica, Dellazia Clarissa, Stephanie Fenuela, Kezia Aristi, William Yong, and Muhammad Alfizar. Thank you for sticking with

me no matter how frantic I become throughout the process of making this thesis. The solace you have provided me has encouraged me to keep going on. Special thanks to Dellazia Clarissa whom I have spent most of my studying time with. I learnt a lot from you.

10. The friends I have made in organization, BEM-UPH 2019/2020 and BEM-UPH 2020/2021. Special thanks to Andrea Gaby and Wilson Arya for giving me advices on the writing format.

11. My fellow friends who were under Prof. Aleksius' supervision. Thank you for the moral and academic support you have given me. I am thankful to spend my thesis semester with all of you. Shootout to Yohanes Surya Wijaya who has patiently answered my questions and helped me throughout my university years.

This thesis was far from perfection. Hence, I would highly appreciate all suggestions, feedback, and questions that would make this a better thesis.
