The Author would like to thank God Almighty for His blessings and Grace that He has given so that the author is able to finish this paper as an academic requirement to obtain a Master's Degree of Law in International Trade, Investment, and Competition Law & Policy at the University of Pelita Harapan. Within this one semester time, so many experiences and knowledge are gained by the Author in the making of this Thesis. Without the motivation, guidance, advice, and input from various people, this thesis may not be completed. On this occasion, the Author would like to thank all those who helped the Author in completing this Thesis, in particular to:

1. Prof. Dr. Bintan R. Saragih, SH., as Professor and Dean of the Faculty of Law, University of Pelita Harapan. Thank you for always being so friendly towards the Author;
2. Dr. Henry Soelistyo Budi, S.H. LL.M, as the Head of Graduate Program of the University of Pelita Harapan as well as the main advisor of this thesis, who have given the time to provide advice and guidance to the Author in completing this thesis;
3. The entire faculty of law lecturers and staffs who cannot be mentioned here one by one. The Author would like to thank the lecturers who have taught and shared knowledge to the Author during the study period and to the staffs in both administrative and technical affairs;

4. Family: Dad, Mom, and sisters, for the love and support that are always given to the Author until now;
5. All the classmates; and
6. Other people who cannot be mentioned one by one by the Author.

Finally, with all the love and humility, the Author realizes that this Thesis is still far from perfect. Therefore, criticism and suggestions from readers would be very beneficial for the Author. Hopefully, this Thesis can contribute positively to academic readers and society.
