

ACKNOWLEDGEMENT

Praise the Lord for His overwhelming blessings to the author in completing this thesis entitled “UTILIZATION OF BEETROOT (*Beta vulgaris*) AND HOLY BASIL (*Ocimum tenuiflorum*) AS COMPOSITE FLOUR IN THE MAKING OF COOKIES WITH DIFFERENT TYPE OF FAT”.

This thesis was written based on the research conducted from January 2021 to June 2021. This thesis was written as the partial fulfillment of the academic requirement to obtain the degree of *Sarjana Teknologi Pertanian Strata Satu*, Food Technology Study Program, Faculty of Science and Technology, Universitas Pelita Harapan, Jakarta.

The author realizes that this thesis could not be successfully completed by the author without the support, and prayers from many parties. Therefore, the author would like to express a huge gratitude to those parties, including:

1. Eric Jobiliong, Ph.D. as Dean of Faculty of Science and Technology.
2. Dr. Nuri Arum Anugrahati as Vice Dean of Faculty of Science and Technology.
3. Laurence, S.T., M.T. as Director of Administration and Student Affairs of Faculty of Science and Technology.
4. Ir. W. Donald R. Pokatong, M.Sc., Ph.D., as Head of Food Technology Study Program for the chance to conduct the thesis project and guidance throughout the thesis project period.
5. Ratna Handayani, M.P. as Vice Head of Food Technology Study Program for the guidance throughout the thesis project period.
6. Lucia C. Soedirga, M.Sc. as thesis supervisor for their guidance and patience during the thesis project period.
7. Yuniwaty Halim, M.Sc. as the Head of Quality Control and Research and Natania, M.Eng. as the Head of Food Processing and Technology Laboratory where the author conducted the project.
8. Mr. Regy, Mr. Adjie, Mr. Adih, and Mr. Darius for the information and assistance during the final project.

9. All other lecturers, lecturer's assistant, and staffs of Food Technology Study Program for the support and help during the thesis project period.
10. Author's parents and family for all their support and help during the thesis period.
11. Jasmine Endah W. for her emotional support
12. Delvin Kho, Brigitta Angelina, Saverius Chandra, Christian Hubert, Michael Adrian, Michael Austin, Matthew Suharso, Jason Muliadi, Wilfrina Gracia, Yolita Lilian, Caroline Constanty, Valerie Kathleen, Karenina Caroline, Jocelyn Shania, Stefany Indah and many others that cannot be individually mentioned as the author's friends for their moral support during the thesis project period.

The author realizes that this thesis report is not perfect. Therefore, any comments, questions, and criticism are appreciated to further improve this thesis report to make it better and more informative for future readers.
