

FOREWORD

Praise the Lord Jesus Christ for His continual grace and blessings that I have been able to finish this final paper. It is He who has guided me along the journey and renewed my strength each day to finish this well. All glory belongs to Him.

This final project with title “PROMOTING STUDENT OWNERSHIP OF LEARNING THROUGH STUDENT-CENTERED LEARNING ENVIRONMENT” is prepared and written as partial fulfillment of academic requirements for degree of *Sarjana Pendidikan*, Universitas Pelita Harapan, Jakarta.

I realize that without supervision, support and prayers from every party, it is impossible to finish this final project in timely manner. Therefore, I would like to express my gratitude for the following people whom He has sent to walk and share with me through this journey. Along the way, they have supported me through prayers as well as words of encouragement. May God bestow His abundant blessing upon you:

1. Oh Yen Nie, S.E., M.Ed., the Dean of Faculty of Education.
2. Neng Priyanti, S.Pd., M.Ed., M.A., the Interim Department Chair of English Language Education Program.
3. Meicky Shoreamanis Panggabean, S.S., M.Pd., the supervisor who supervised and gave me many input. She has inspired me through her classes about the implementation of student-centered learning and also the importance of learning from authentic materials.

4. My beloved parents, Vasas E. Lase, S.Pd., and Rosmida Sinaga, S.Pd., who always pray and support me physically, mentally, spiritually, and financially.
5. My beloved siblings, Dian A. Lase and Michale S. T. Lase, who always cherish, encourage, help, motivate, and listen to my story.
6. All lectures and staffs of UPH and MYC, who taught, helped, and guided me to grow to be a Christian English teacher.
7. All of my seniors, all members of ELT community, ELT lectures, and 18ELT1 (my classmates), who became my support systems during my journey in UPH.
8. Netanya and Rika, who helped and supported me during the process of writing my final projects.
9. Sartika Saragih (my mentor), Dewi Sri Utami (my mentee mate), and my mentees (Asri, Defny, Devina, Devita), as my mentoring community to help me grow mentally and spiritually.

Lastly, I am fully aware that there are things that can be improved in this study. Thus, critics and suggestions from readers will be useful. Hopefully, this study will be beneficial for every party reading it.
