

## **ACKNOWLEDGMENT**

Praise and gratitude is given to Almighty Lord, Jesus Christ for all the blessings that have been given by Him. Without His unending love, grace, and mercy, the author will not be able to complete this final paper.

This final paper entitled "**THE IMPACT OF VALUE PERCEPTIONS ON PURCHASE INTENTION TOWARDS LOCAL AND GLOBAL MAKEUP BRANDS IN INDONESIA**" is aimed to fulfill final requirement to attain the Bachelor Degree of Economics in Management. Besides, this final paper facilitates the process of learning and expanding knowledge horizon.

The author would like to thank you for the dearest supervisor, Dr. Ir. Evo Sampetua Hariandja, M.M. who has been generously and patiently shared his knowledge and guided throughout the making of this paper. Without his kindness and support, the author would not be able to finish this paper in time.

The author realizes without any guidance, support, encouragement and prayer from various people, this final paper cannot be completed. Therefore, the author would like to thank profusely to all those who have assisted in the process of completing this final paper, namely to:

1. Dra. Gracia Shinta, S. Ugut, M.B.A., Ph.D. as the Dean of Faculty of Economics and Business.
2. Ms. Vina Christina Nugroho, S.E., M.M. as the Head of Management Department.

3. Ms. Jacquelinda Sandra Sembel, S.Pd., S.E., M.M. as the Head of International Business Concentration and my thesis defense examiners 3.
4. Dr. Ir. Evo Sampetua Hariandja, M.M. as my thesis paper supervisor and my thesis defense examiners 2.
5. Dr. Margaretha Pink Berlianto, S.E., M.M., Ak., CA as my academic supervisor.
6. Dr. John T. Purba, MM., MCSE as my thesis defense examiners 1.
7. All lecturers at Universitas Pelita Harapan who have taught and shared their expertise with students over the study time.
8. All employees of the Business School who have helped the author in administrative activities.
9. My beloved family, who has always been there for me, sending me endless prayers, support, and encouragement, which makes this research paper is possible to be done.
10. Nelsen Hung, for always giving endless encouragement, for always being there to help and support me, and for giving me motivation to keep fighting and offer my best effort in my thesis.
11. Veren Aeriela and Gloria Herliana Gunawan, my best thesis mates ever, who are continuously sharing information with me, brightening up our thesis days, ready to assist and encourage each other at any times, and sharing the good and bad times with me, a true friend who accepts my flaws.

12. Lisa Sanjaya, Priscille Putri, and Shindy, who have been a good supporter for me while working on the thesis, was always willing to lend a hand, always answered my questions, and never stopped to encourage me as I worked to complete this thesis.
13. To my beloved friends : Calista Amanda Linardi, Cindy, Clarissa Sujardi, Erica Surya Putri, Evelyn Elicia, Ivana Valerie, Kristy Emilia, Regina Emanuela Arvy Siregar, Shevilla Charmay. Who have been my university companions for the last three years and have been my biggest source of fun; we spend time together whether it's happy or sad.
14. My truly beloved ones: Agnes Aurelia, Juliana Wijaya, Pingky Kharamoy, Vindylia Tanaya. Thank you for giving me with real friendship, crazy fun days, a lot of encouragement, a lot of support, and comfort while I'm going through a tough time on campus.

Last, author realizes that this research has its limitations. Therefore, to improve the quality of this paper, suggestions and critics are very well appreciated. The author hopes that this research paper can be useful for any kind of purposes and beneficial for the reader
