

ACKNOWLEDGMENT

First of all, I'd like to put my gratitude to Lord Jesus Christ who has blessed and guide me through the process of making this final paper entitled "THE JOINT EFFECTS OF FIRM CHARACTERISTICS AND UNCERTAINTY ON FIRM'S CAPITAL STRUCTURE IN INDONESIA". The final paper is used to join a conference in 7th IFA International Conference also to meet the obligation to hold a Bachelor of Economics in Universitas Pelita Harapan, Karawaci. This paper is done with the help of many parties during the past few months. Therefore, I would like to thank them, namely:

1. My parents, brother, sister and relatives. I wish to thank my parents' Andhie Abraham and Tinie Purnama, for the support, guidance, and for many warm gestures during the whole process of my study, making sure I always get the best privilege to assist me unlock my true potential. Up until now, I've been able to pursue my career choice in the financial industry because of their endless encouragement. To my brother and sister, Kevin Schwantz Abraham and Catherine Selena Abraham, thank you for never bothering me at home while I'm working on my thesis. However, your funny behavior and many sugar intakes you gave to me was precious, especially during this time of pandemic when I couldn't get any other entertainment.

2. To all my main friends in campus: Caroline Chungiarto, Venessa Augustin, Ivana Arni Wijaya, Winty Johanes, Jhonatan Leonard, James Kurniawan, Fenry Fernando, Frederick Holijaya, Adrian Fernando, Gilbert Dharmawan, and also my ambitious friends that accompanied me to join many competitions: Metta Kumala Dewi, Nathanael Aldo, William Surya Setiawan, Michael Christopher, Vennicia Juselin, and Elbert Limanto. Thank you for being supportive and my safe place, I cherished all the fun times we had together during the academic years.
3. Mr. Niel B. Nielson, MA., Ph.D. as the Dean of Faculty Economics.
4. Mrs. Isana S.C. Meranga, S.P., M.M. as the Head of Management faculty program.
5. Mrs. Vina Christina Nugroho S.E., M.M. as my advisor. Thank you for your time, guidance, and all the knowledge you have shared with me.
6. Dr. Kim Sung Suk, B.A., M.Sc, Mrs. Rita Juliana, S.E., M.M., MBA, and to all the lecturers and professors that have taught me many insights during my study, also helped me during the final paper.
7. To all the administrative and academic staff, and all those people who helped me throughout the time that I couldn't write here, thank you.

End of word, I would like to state that this thesis is far from perfect, any suggestions will be embraced with gratitude and hopefully will inspire and benefit the readers, especially for capital structure decisions.
