

ACKNOWLEDGEMENT

All praise to God in the name of Jesus Christ for His blessings, kindness, and mercy, that allows this research to be completed in time. He had given the researcher His strength, knowledge, and wisdom to learn something new through this research. The research paper with the title of “**THE INFLUENCE OF BRAND EXPERINCE, CUSTOMER SATISFACTION, BRAND LOVE, AND BRAND TRUST TOWARDS BRAND LOYALTY OF BOOKING.COM IN INDONESIA**” served the purpose to meet the academic requirement in order to obtain the Bachelor of Economics degree in Management Study Program. The researcher has realized that there are imperfections that still occur in this research but the researcher hope that this research could be useful for other researchers to examine in the future.

The researcher would like to thank each and everyone that have involved, supported, helped, and prayed for the researcher to complete this research in time.

I would like express my deepest gratitude for these people, especially to:

1. Gracia Shinta S. Ugut, MBA., Ph.D. as the Dean of Faculty of Economic and Business.
