Kata Kunci : *celebrity endorsement*, *purchase intention*, *customer attitude towards brand*

## **ABSTRACT**

This study was conducted with the aim of knowing the relationship between celebrity endorsement and purchase intention of the Modelano brand mediated by customer attitude towards the brand. This study uses celebrity endorsement from several variables, namely celebrity trustworthiness, celebrity expertise, celebrity attractiveness, celebrity similarity, celebrity liking, celebrity familiarity and celebrity match-up congruence with the brand/product. Respondents in this study amounted to 170 respondents. This study uses data processing using Partial Least Square - Structural Equation Modeling (PLS-SEM) and processed using SmartPLS software. The results showed that the celebrity endorsement variable has a positive and significant influence on the responses of prospective Modelano customers, so that customers will make Purchase Intentions mediated by customer attitudes toward the brand.

Keywords: celebrity endorsement, purchase intention, customer attitude towards brand
