THE INFLUENCE OF FOOD QUALITY, SERVICE QUALITY, ATMOSPHERICS, OTHER CUSTOMERS TOWARD CUSTOMERS POSITIVE EMOTIONS AND CUSTOMERS LOYALTY AT KYIV CAFE IN BINJAI

(xvii+135 pages; 26 figures; 54 tables; 6 appendices)

In the age of millennials, cafes have become a favorite spot not only to solely have meals but also to have some relaxation and leisure time. Millennials like to spend time with their friends in a good cafe, this is because the cafe itself has become a comfortable way to get rid of boredom and has certainly become a lifestyle. It is important for KYIV Cafe Binjai as one of the leading cafes in Binjai to maintain and increase the customer loyalty of KYIV Cafe customers in order to lead the market amid increasingly fierce competition.

Primary and secondary data are used in this research, th questionnaires are distributed to KYIV Cafe Binjai customers, who at least visited KYIV Cafe Binjai twice in the last six months before the questionnaire is distributed. Data is measured by validity and reliability test. The sampling method used in this study is non-probability sampling method, specifically snowball sampling. The gathered data is analyzed using SPSS 25.0 and the research model is being tested using normality, heteroscedasticity, multicollinearity, and linearity test. The data is also tested with multiple linear regression and coefficient of determination test, and hypothesis test are done with F-Test, T-Test, and Sobel Test.

The purpose of this study is to evaluate which Food Quality, Service Quality, Atmospherics, and Other Customers have the greatest influence on Customers' Positive Emotions and Customers Loyalty to KYIV Cafe Binjai and whether have significant influence. The study has indicated that Food Quality, Service Quality, and Atmospherics are having significant influence toward Customers' Positive Emotions toward KYIV Cafe Binjai partially and simultaneously. Other Customers aren't having significant influence toward Customers' Positive Emotions partially but simultaneously. Also, Customers' Positive Emotions toward KYIV Cafe Binjai is having significant influence toward Customers Loyalty to KYIV Cafe Binjai both partially and simultaneously. Customer Positive Emotions also mediate the effect of food quality, service quality, atmospherics, and other customers, on customer loyalty in KYIV Cafe Binjai customers.

Keywords: Food Quality, Service Quality, Atmospherics, Other Customers, Customers Positive Emotions, Customers Loyalty.
