ACKNOWLEDGEMENT

I would like to give thanks first and foremost to God because of his blessings and guidance has enabled me to finish this thesis which entitled "Factors Influencing UPH Surabaya Students' Intention to Adopt Internet Banking Services" as a final requirement to obtain the degree of Sarjana Ekonomi Strata Satu at Universitas Pelita Harapan Surabaya.

It is a great pleasure for me to thank everyone who helped me write this thesis successfully, especially:

1. Prof. Louie Divinagracia, M.Sc., DBA, as the Dean of Faculty of Business School Universitas Pelita Harapan Surabaya.
2. Mr. Ronald Suryaputra S.T., M.M., as the Head of Department of Management.
3. Prof. Maria Rochelle G. Divinagracia, MSc., DBA, as the academic advisor of International Business class and thesis advisor I. Thank you for taking care of me and my fellow classmates, listening to our problems, and sticking with us till the end. You have my respect and gratitude.
4. Miss Oliandes Sondakh, S.E., M.M., as thesis advisor II. Thankyou for being great advisor and motivator for me and my fellow classmates, the one who always chase me around to finish up my thesis. You always become my nice friends, my advisor, I thank to you a lot.
5. Miss Amelia, RFP-I,M.M and Sir Hananiel Mennoverdi Gunawan, BA.MBA as the panelist, I would like to thank you for all the command and critics towards my thesis.
6. Lecturers and staffs of Universitas Pelita Harapan Surabaya for sharing their knowledge and support.
7. My parents, Antoni David and Vivi Halim, who have so much faith in me, they are great figure in my life who always tell me not to give up but always give my best, hope I made you proud.
8. My grandparents, Liem Hoking and Farida Yusuf, my uncles, my aunties, I would like to thank for the biggest support and being super excited to see me graduate.
9. My brothers, Bryan, Kent and Ethan who have been my energizer even though they are still little boys. They are always my beloved kids.
10. I would like to thank to my senior in this university, special thanks to: Stella Wahyudi for being very special friends, great senior, the one who

always share her thesis things with me, care to me, and the time that we had together. Evy, Erick, Amin, Steve, Elza, Sherlita, Hendrick, thankyou for the time that we had together in Singapore for attending the WMUN conference, you are the best senior that I ever had!

11. Umita Nathani and Natascha Lacksono, they are my best family that I ever had, we had spent great time in this university life! I really love you all, each moment that we did it was my incredible one. I hope we always stick together no matter where we are, still loving and caring each other.

12. Fasco Andreo for the endless support for me, I would thank to you too sir. Thank you for always here and there for me, and loving me. So blessed to have you by my side.

13. My fellow classmates whom I will never forget: Evelyn, Anita, Malvin, Johan, Christian, Edo, Rudi, Hadi, Phillip, Gede, Vivi, Caroline, Sutrisno, Johanes, Alex, Sandi, Tommy.

14. My NDAGEL groups from junior high school, thankyou for the craziest time that always cheer me up when I was stressed up during the thesis time. I hope we will be always hang out together to talk, share, chill, play, laugh, fight like a tom and jerry who always miss each other.

At last, I apologize for the limitations in the writing of this thesis and hopes that this thesis will be of use as academic and management reference.

TABLE OF CONTENTS..... vii

LIST OF TABLES x

LIST OF FIGURES xii

LIST OF APPENDICES…….. xiii

CHAPTER I INTRODUCTION 1

1.1 Background of the Study 1
1.2 Research Problems 4
1.3 Research Objectives 4
1.4 Research Contributions 4
1.5 Research Limitation 5
1.6 Research Outline 5

CHAPTER II REVIEW OF RELATED LITERATURE 7

2.1 Internet Banking 7
2.1.1 Overview 7
2.1.2 Conception of Internet Banking 8
2.2 Technology Acceptance Model (TAM) 9
2.2.1 Definition of TAM 9
2.3 Theory of Reasoned-Action (TRA)..... 9
2.4 Perceive Characteristic of Internet Banking..... 11
2.4.1 Relative Advantage 11
2.4.2 Customer Learning Requirement 12
2.4.3 Perceive Risk and Cost 12
2.5 Intention 14
2.5.1 Intention as Act of Willing..... 14
2.5.2 Intention as Needs 14
2.5.3 Intention as Best Predictor of Behavior 14
2.5.4 Intention to Adopt 15

2.6 Adoption 15
2.6.1 Adoption in Internet Banking 16
2.7 Theoretical Framework 18
2.8 Hypotheses of the Study 19
2.9 Operational framework 20

CHAPTER III RESEARCH METHOD 22

3.1 Research Design 22
3.2 Research Variables 22
3.2.1 Operational Definitions 22
3.2.2 Variables to be tested 23
3.2.3 Level of Measurement and Scaling Techniques 23
3.3 Methods of Data Collection 23
3.3.1 Sources of Data 23
3.3.2 Sample and Sampling Plan 24
3.3.3 Research Instrument 25
3.4 Methods of Data Analysis 25

CHAPTER IV RESULT AND DISCUSSION 31

4.1 Research Object Description 31
4.2 Characteristics of the Respondents 31
4.2.1 Users of Internet Banking Services 32
4.2.2 Frequency of Use of Internet Banking 32
4.2.3 Intention to Use Internet Banking 33
4.2.4 Age of the Respondents 33
4.2.5 Gender of the Respondents 34
4.2.6 University Batch of the Respondents 34
4.2.7 Program Study of the Respondents 35
4.2.8 Reason of Use Internet Banking 35
4.3 Mean Rating & Standard Deviation of Relative Advantage 36
4.3.1 Mean rating & standard deviation of Customer Learning Requirement 37
4.3.2 Mean rating & standard deviation of Perceive Risk and Cost 38
4.3.3 Mean rating & standard deviation of Intention 39
4.4 Validity & Reliability Test 38
4.5 Classical assumption test 41
4.6 Hypothesis Testing 47
4.7 Discussion 52

CHAPTER V SUMMARY, CONCLUSION, RECOMMENDATION 55

5.1 Summary 55
5.2 Conclusion 56

5.3 Recommendation 57
