

FOREWORD

Praise be to God Almighty for His blessings and guidance so that we can complete the design paper with the title "Back Flow Incense Holder Inspired By Korean And Indonesian" This report was prepared by the author to fulfill the graduation requirements, namely the final assignment, the author would like to thank for the support and knowledge shared with:

1. Geoffrey Tjakra, BFA., MFA. as a supervisor who helps the writing team.
2. Sheena Liman, S.Sn., MMD., and Devanny Gumulya, S.Sn., M.Sc., as the examiner who helps the writing team.

The author realizes that this report still has deficiencies in both the preparation and grammar aspects, so the writer humbly accepts suggestions and criticisms from readers in order to improve this design.

The author hopes that this design can provide benefits for all parties and readers.
